

Workshop agenda

Agenda for the workshop Development of a Strategy for the Conservation and Restoration of Mangroves in the Mesoamerican Reef		
Day 1		
Time	Activity	Responsible
8:00	Registration of participants	MAR Fund
8:30	Welcome words	<i>Carlos Rodríguez Olivet</i> MAR Fund - MAR2R / CCAD
8:40	Opening remarks by dignitaries and authorities	<i>Dr. Michael Grewe:</i> German Embassy <i>Licda. Luisa Fernández:</i> Ministry of Environment and Natural Resources of Guatemala
9:00	Introduction to the workshop	<i>María José González:</i> MAR Fund <i>Luis Castellanos:</i> MAR2R
9:20	Indigenous people and Afro invocation	<i>Tata Juan José Chiriz</i>
9:30	Group photo	All participants
9:45	Coffee break	
10:00	Introduction to the workshop methodology based on Adaptive Management of vulnerability and Risk at Conservation Sites (MARISCO) and the participatory process to develop the strategy	Facilitator: <i>Olga Centeno</i>
10:20	Presentation on the current situation of mangroves in the MAR region	<i>Steven Canty:</i> Smithsonian Institution
10:50	Adaptation to climate change based on mangrove ecosystems and Vulnerability analysis, proposed adaptation measures in Belize, Guatemala and Honduras	<i>Nestor Windevoxhel</i>
12:20	Blue Carbon: goods and services provided by mangroves	<i>Miguel Cifuentes:</i> CATIE
12:40	Presentation on the current situation of the region's watersheds	<i>Sonia Solís:</i> WWF
13:00	Lunch	
14:10	Presentation and validation of the proposed conceptual model (biodiversity objects, ecosystem services and human welfare of mangroves)	Facilitator with all participants
14:20	Working groups: <ul style="list-style-type: none"> Group 1 and 4 - conceptual model Group 2 and 3 - vision proposal for the strategy 	Facilitator with all participants
14:40	Plenary	All participants
15:15	Systemic analysis of vulnerability to risk	Facilitator
15:35	Assessment of current state of biodiversity objects: Identification of ecological attributes and indicators	Working groups
16:35	Plenary: presentation of results	All participants
18:40	Closing for the day	<i>María José González</i>

Development of a Strategy for the Conservation and Restoration of Mangroves in the Mesoamerican Reef Day 2		
Time	Activity	Responsible
8:30	Presentation of summary and progress of day 1	<i>Carlos Rodríguez Olivet</i>
8:45	Stressors and threats identification	Facilitator
8:55	Work continues on the assessment of current status of biodiversity objects: <ul style="list-style-type: none"> • Identification of stressors • Identification of threats 	Working groups
9:55	Plenary: presentation of results	All participants
11:00	Blue Carbon: global and regional context	<i>Miguel Cifuentes</i>
11:35	Presentation on mangrove restoration	<i>Claudia Teutli:</i> UNAM
12:10	Presentation of the methodology for the day	Facilitator
12:45	Identifying the factors that contribute to threats	Working groups
13:30	Lunch	
14:30	Methodological presentation of key actors and stakeholders	Facilitator
14:40	Key actors and stakeholders	Working groups
15:40	Plenary: stakeholders analysis	All participants
16:00	Coffee break (Served during group work)	
16:00	Methodological presentation: prioritization and formulation of strategies	Facilitator
16:15	Identification and prioritization of strategies and existing actions in the MAR region	Working groups
17:15	Closing for the day	<i>Claudio González</i> MAR Fund
18:30	Coctel	

Development of a Strategy for the Conservation and Restoration of Mangroves in the Mesoamerican Reef Day 3		
Time	Activity	Responsible
8:30	Presentation of summary and progress of day 2	Facilitator
9:00	Plenary of exercise strategies	All participants
9:40	Presentation of the project experience: Strengthening the effectiveness of the management and resilience of Natural Protected Areas to protect biodiversity threatened by climate change, Puerto Morelos, Mexico	<i>Christian Alba</i> CONANP
10:00	Coffee break	
10:15	Working groups for: <ul style="list-style-type: none"> • Actions • Costs estimation • Potential funding sources 	Working groups
11:45	Plenary	All participants
12:30	Next steps	Facilitator
12:45	Workshop closure	<i>Carlos Rodríguez Olivet</i>
13:00	Lunch
