

ECOLOGY PROJECT  
INTERNATIONAL  
BELIZE

**Engaging Youth  
as the Next Generation of  
Conservation Leaders**

**EPI Mission:** To empower youths to take an active role in conservation while increasing ecological literacy.

# 1,000 Belizean youths participated in field based learning – Marine Conservation and Climate Change

# EPI Partnership with TIDE for Youth/Community empowerment

# Empowered Conservation Youth Leaders = Healthier Environment for All
