

# Increasing the effectiveness of sustainable marine resource use and management in SEA's co-managed Protected Areas

Deidra Mahler  
Education & Outreach Manager  
Southern Environmental Association  
7<sup>th</sup> October, 2019

# PROJECT OVERVIEW

## OBJ 1: Improvement of boundary recognition

## OBJ 2: Awareness Enhancement of PA regulations and legislations

# Successes

**Improved Stakeholder Relationship**

=

612 

12 

67 

**Improved Compliance by 15%**

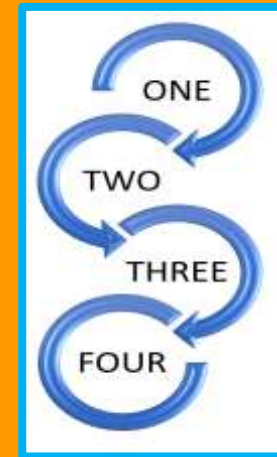

**25% of recorded infractions reported by marine resource users**

# Lessons Learned

**Stakeholder Communication is key!**  
**Who?**  
**What?**  
**Where?**  
**When?**  
**How?**

**Strategic Planning for surveillance & enforcement**

Next Steps...

- Surveillance & Patrol
- Capacity Building
- Procurement of Operational Resources

# THANK YOU!
